

## **Quest Solution Announces \$2.3M in Orders for Mobile Android-Based Data Collection Equipment From Leading International Automotive Company**

- Sophisticated equipment for plant automation and inventory management**

Salt Lake City, UT, August 13, 2019 -- Quest Solution, Inc. (OTCQB: QUES) ("Quest" or "the Company"), a provider of Supply Chain and Artificial Intelligence (AI)-based solutions, announced orders valued at \$2.3 million for plant automation and inventory management equipment from one of the world's largest automotive corporations. The project will integrate mobile Android-based computerized equipment with the customer's existing logistic management system for the automation of more than ten plants in North America, with delivery expected during the third quarter of 2019.

Shai Lustgarten, CEO of Quest, stated, "We are pleased to drive continued momentum by securing significant orders from our solid base of Fortune 500 customers, which we believe demonstrates the efficacy of our solutions and our customers' trust in Quest's quality and sophistication. Our customers typically manage operations around the globe and require the most sophisticated IT systems to achieve maximum efficiency. In addition to providing powerful computers and other data collection equipment, we believe that our AI technology can play a critical and innovative role in yard and warehouse management and for the automation and improvement of speed and accuracy of the whole supply chain process."

### **About Quest Solution, Inc.**

### **Information about Forward-Looking Statements**

"Safe Harbor" Statement under the Private Securities Litigation Reform Act of 1995. Statements in this press release relating to plans, strategies, economic performance and trends, projections of results of specific activities or investments, and other statements that are not descriptions of historical facts may be forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995, Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. This release contains "forward-looking statements" that include

information relating to future events and future financial and operating performance. The words "may," "would," "will," "expect," "estimate," "can," "believe," "potential" and similar expressions and variations thereof are intended to identify forward-looking statements. Forward-looking statements should not be read as a guarantee of future performance or results, and will not necessarily be accurate indications of the times at, or by, which that performance or those results will be achieved. Forward-looking statements are based on information available at the time they are made and/or management's good faith belief as of that time with respect to future events, and are subject to risks and uncertainties that could cause actual performance or results to differ materially from those expressed in or suggested by the forward-looking statements. Important factors that could cause these differences include, but are not limited to: fluctuations in demand for Quest Solution, Inc.'s products, the introduction of new products, the Company's ability to maintain customer and strategic business relationships, the impact of competitive products and pricing, growth in targeted markets, the adequacy of the Company's liquidity and financial strength to support its growth, the Company's ability to manage credit and debt structures from vendors, debt holders and secured lenders, the Company's ability to successfully integrate its acquisitions, and other information that may be detailed from time-to-time in Quest Solution Inc.'s filings with the United States Securities and Exchange Commission. Examples of such forward looking statements in this release include, among others, statements regarding revenue growth, driving sales, operational and financial initiatives, cost reduction and profitability, and simplification of operations. For a more detailed description of the risk factors and uncertainties affecting Quest Solution, Inc. please refer to the Company's recent Securities and Exchange Commission filings, which are available at <http://www.sec.gov>. Quest Solution, Inc. undertakes no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, unless otherwise required by law.
