**OMNIQ Receives \$2.4 Million Purchase Order from Fortune 500 U.S. Retailer  
with Footprint of More Than 2,200 Stores**

- *New follow-on order is for data collection, computing, and communication equipment used in retailer's logistics system to support expanding operations*

Salt Lake City, UT, (January 21, 2020 -- OMNIQ Corp. (OTCQB: OMQS) ("OmnIQ or "the Company"), a provider of Supply Chain and Artificial Intelligence (AI)-based solutions, announces that its Quest division has received a purchase order totaling \$2.4 million from a major U.S.-based retail chain to supply data collection, computing, and communication equipment in support of its expanding operations.

OMNIQ's state-of-the-art technology and equipment can be implemented to improve logistics efficiencies that enable better control of shipping/receiving and inventory management. For this order, OMNIQ will provide rugged mobile tablets for data collection and communication which will be integrated with the customer's existing logistic system.

Shai Lustgarten, President and Chief Executive Officer at OMNIQ, stated, "We are delighted to start fiscal year 2020 with this new \$2.4M purchase order demonstrating the continued confidence in our solutions from one of the largest retailers in the U.S. With our customer base of loyal Fortune 500 companies and our strong performance in the first nine months of 2019, which included revenue of \$45 million, we believe we are well positioned for future growth and profitability. Furthermore, we are focused on implementing our innovative and proprietary Artificial Intelligence – Machine Vision solutions in the multi-billion dollar Supply Chain industry, improving efficiencies, eliminating errors, and lowering costs by enabling data collection and advanced data analytics tools."

**About OMNIQ Corp.**

OMNIQ Corp. operates two divisions, HTS Image Processing and Quest Solution. HTS Image Processing is a leading provider of computer vision image processing-based solutions using patented and proprietary AI technology to provide real-time surveillance and monitoring for homeland security, traffic & parking management, law enforcement and access control applications as well as supply chain management.

Quest Solution provides supply chain solutions, specializing in the design, deployment and management of enterprise mobility solutions including Automatic Identification and Data Capture (AIDC), Mobile Cloud Analytics, RFID (Radio Frequency Identification), and proprietary Mobility software. The Company's mobility products and services offering is designed to identify, track, trace, share and connect data to enterprise systems such as CRM or ERP solutions. OMNIQ's customers are leading Fortune 500 companies from several sectors including manufacturing, retail, distribution, food/beverage, transportation and logistics, healthcare and chemicals/gas/ oil.

### **Information about Forward-Looking Statements**

“Safe Harbor” Statement under the Private Securities Litigation Reform Act of 1995. Statements in this press release relating to plans, strategies, economic performance and trends, projections of results of specific activities or investments, and other statements that are not descriptions of historical facts may be forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995, Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. This release contains “forward-looking statements” that include information relating to future events and future financial and operating performance. The words “anticipate”, “may,” “would,” “will,” “expect,” “estimate,” “can,” “believe,” “potential” and similar expressions and variations thereof are intended to identify forward-looking statements. Forward-looking statements should not be read as a guarantee of future performance or results, and will not necessarily be accurate indications of the times at, or by, which that performance or those results will be achieved. Forward-looking statements are based on information available at the time they are made and/or management’s good faith belief as of that time with respect to future events, and are subject to risks and uncertainties that could cause actual performance or results to differ materially from those expressed in or suggested by the forward-looking statements. Important factors that could cause these differences include, but are not limited to: fluctuations in demand for the Company’s products, the introduction of new products, the Company’s ability to maintain customer and strategic business relationships, the impact of competitive products and pricing, growth in targeted markets, the adequacy of the Company’s liquidity and financial strength to support its growth, the Company’s ability to manage credit and debt structures from vendors, debt holders and secured lenders, the Company’s ability to successfully integrate its acquisitions, and other information that may be detailed from time-to-time in OMNIQ Corp.’s filings with the United States Securities and Exchange Commission. Examples of such forward looking statements in this release include, among others, statements regarding revenue growth, driving sales, operational and financial initiatives, cost reduction and profitability, and simplification of operations. For a more detailed description of the risk factors and uncertainties affecting Quest Solution, Inc. please refer to the Company’s recent Securities and Exchange Commission filings, which are available at <http://www.sec.gov>. OMNIQ Corp. undertakes no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, unless otherwise required by law.
